

BOARD OF PROFESSIONAL ENGINEERS AND PROFESSIONAL LAND SURVEYORS
QUALIFICATION AND FEE INFORMATION FOR APPLICANTS

Examination for Professional Engineers (including Structural), Professional Land Surveyors, Engineers-in-Training and Land Surveyors-in-Training will be held in Spring and Fall, and applications **MUST be postmarked on or before January 10 or August 1, respectively.** Only completed applications will be presented to the Board for assignment. Approximately 3 to 4 weeks is needed for processing applications. Board meetings are generally scheduled for February and September for assignment to examinations.

The Fundamentals of Engineering (FE) examinations, for certification as an Engineer-in-Training, are given at the University of Idaho, Idaho State University and Boise State University, for the benefit of engineering students in their last two semesters, although non-students may be assigned to the FE examination at the universities.

Checks should be made payable to the Board of PE and PLS.

BUSINESS ENTITY CERTIFICATE OF AUTHORIZATION APPLICATION FEE:

Business Entity Certificate of Authorization..... 165.00

EXAMINATION APPLICATION FEES

Professional Engineer (**Non-Structural**) examination or re-examination (comity fee below).....245.00
 Structural Engineer (both Structural I and II) examination or re-examination* (comity fee below)620.00
 Professional Land Surveyor examination or re-examination (comity fee below).....245.00
 Fundamentals of Engineering examination or re-examination for certification as an Engineer-in-Training.....85.00
 Fundamentals of Land Surveying examination or re-examination for certification as a Land Surveyor-in-Training....95.00

COMITY (RECIPROCAL) APPLICATION FEES:

Professional Engineer (May include "base discipline" **and** structural)
 If applicant does not have an NCEES Record.....\$ 120.00
 If applicant has an NCEES Record.....100.00
 Professional Land Surveyor
 If applicant does not have an NCEES Record.....120.00
 If applicant has an NCEES Record.....100.00

DUPLICATE CERTIFICATE FEES:

Any certificate lost, destroyed or mutilated.....10.00
 Duplicate or second certificate.....10.00

*For additional information, contact the Board office at (208) 373-7210 or see our website: <http://www.idaho.gov/ipels>.

ALL FEES ARE NON-REFUNDABLE **BIENNIAL RENEWAL FEES**

Business Entity..... **(Annual not Biennial)** \$ 50.00
 Professional Engineer.....80.00
 Professional Land Surveyor.....80.00
 Professional Engineer/Land Surveyor (combined).....160.00
 Engineer-in-Training.....20.00
 Land Surveyor-in-Training.....20.00
 Retired10.00

Business Entity Certificates of Authorization expire annually on July 31. Renewal notices are sent in late June. Licenses and certificates issued to individuals expire on the last day of the month in which the individual was born, in even-numbered fiscal years for individuals born in even-numbered calendar years and in odd-numbered fiscal years for individuals born in odd-numbered calendar years. Individual renewal notices are sent out near the end of the month preceding their expiration. Idaho's fiscal year begins on July 1 and ends on June 30 and is numbered to correspond with the calendar year in which the fiscal year ends.

Branch examinations for the PE exam are given in the following categories:

Agricultural	Environmental	Metallurgical
Architectural	Fire Protection	Mining/Mineral
Chemical	Geological	Naval Architecture & Marine Engineering
Civil	Industrial	Nuclear
Control Systems	Manufacturing	Petroleum
Electrical & Computer	Mechanical	Structural

Any applicant passing the examination to which he or she is assigned is issued a license as a Professional Engineer with special qualification in a particular branch of engineering, but his or her practice as a Professional Engineer is not legally limited to the branch specified. It is left to his or her professional integrity to practice only in those fields in which he or she considers himself or herself to be qualified and competent.

Idaho has no reciprocity "agreement" with any state; however, it is the policy of the Idaho Board to honor the written examinations given by other states, and wherever possible give full credit to the examinations given by the applicant's home state. (This applies to Land Surveyor-in-Training, Engineer-in-Training, Professional Engineer and Professional Land Surveyor examinations). If the applicant has taken examination(s) in his home or "comity" state equal to those given in Idaho as to length of exam and quality, Idaho will usually not require the applicant to take additional examination(s). However, if the "comity" state requires Idaho registrants to take an additional examination, the Idaho Board may require applicants from that state to take an additional examination to comply with Idaho Law (Section 54-1219, Idaho Code). Applicants for licensure as a Professional Land Surveyor by comity must take, as a minimum, a 2-hour Idaho-specific examination.

In order for the Board to be able to verify experience, only experience up to the date of submittal of the application will be considered as valid. Experience anticipated between the date of the application submittal and the date of the examination or issuance of registration will not be considered and should not be listed on the application.

All Professional Engineer candidates with less than twelve (12) years of experience will be required to (1) take, or provide evidence that they have passed, an approved 8-hour Fundamentals of Engineering (EIT) examination, and (2) take and pass an 8-hour Principles and Practice examination, for a total of 16 hours, to be eligible for registration. They must also receive a passing grade on the Questionnaire.

Applicants in the discipline of structural engineering will be required to first be licensed in a "base discipline", have a minimum of two (2) years of experience in structural engineering after first becoming licensed, and then take and pass the 8-hour NCEES Structural I and the 8-hour NCEES Structural II examinations.

All Professional Land Surveyor candidates will be required (1) to take, or provide evidence that they have passed, an approved 8-hour Fundamentals of Land Surveying (LSIT) examination, (2) take and pass a 6-hour Principles and Practice of Land Surveying examination and (3) take and pass the Idaho-specific examination for a total of 16 hours of examination, to be eligible for registration.

Persons applying for assignment to the Fundamentals of Engineering examination who have a bachelor degree in a major other than engineering should contact the Board office at (208) 373-7210 to obtain a list of requirements which must be met in order for the Board to consider them to possess knowledge and skill approximating that attained through graduation from an approved four year engineering curriculum as required by section 54-1212(3)(b), Idaho Code.

Persons applying for assignment to the Fundamentals of Land Surveying examination who do not qualify for assignment under Idaho Code Sections 54-1212(4)(a) or 54-1212(4)(b) must submit evidence that they possess knowledge and skill similar to that attained upon completion of an approved college curriculum as required in Idaho Code Section 54-1212(4)(c).
